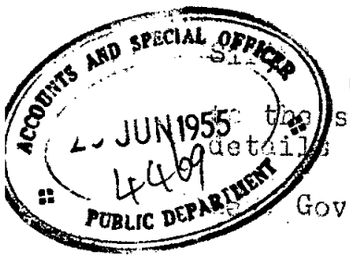
Mangalore, dated 13--6--1955.

From
Sri. H. Narasimha,
Project Executive Officer,
South Kanara, MANGALORE.

To
The Director of Community
Development, MADRAS.



Sir,

Sub: COMMUNITY PROJECT--South Kanara--Education--facilities to the schools by way of building grant--furniture etc. details proposals--submitted.

Ref: Govt. Memo No. 42723 R.D.P.XI/54-11, dated 20--12--1954.

In the Revised Overall Programme approved by the Government in G.O.Ms.No.1324 Public (R.D.I.) Department dated 11- 8- 1954, the following provision has been made on the educational facilities in respect of the existing schools:

Block:	No. of eixsting schools proposed to be improved for providing addl.accommodation.	Amount of building grant.	Amount of grant towards furniture and equipment.	Amount of teachers' salary.
I Block:	33	33,000.	16, 500/-	--
II Block:	33	49,500/-	16, 500/-	--
III Block:	34.	40,800/-	17, 000/-	--
	100.	1,23,300/-	50,000/-	

1) Amount of Building Grant:

Though provision was made only for 100 existing schools, applications have been received from the management of more than 100 schools for the sanction of grant towards the improvement to the existing schools by providing with addl. accommodation. So far sanction has been accorded for the improvement of 115 existing schools, at an estimated cost of Rs. 1,31, 510/- i.e. Rs.8210/- in excess of the allotment already provided for. The probable No. of existing schools for which expenditure is likely to be sanctioned, before the expiry of the project period will be about 150. It is estimated that an addl. allotment of Rs. 50,000/- is necessary to meet the expenditure in this connection. In this office Ref.C.No.1386/55-B dated 3--6--1955, I have submitted proposals for the sanction of this additional allotment of Rs.50,000/- by diverting from other'sub heads'. Regarding contribution for the building grant, it is pointed out that generally more than 50% contribution has been realised from the school committees. In some cases the contribution realised, has been twice or thrice of maximum grant of Rs. 1500/-, allowable for the existing schools. In view of this, the proposal submitted in this office Ref.C.No.1386/55 dated 3-6-1955 may kindly be approved.

2) Amount for craft equipment:

In the revised overall programme, no separate provision has been made for the sanction of expenditure on the supply of craft equipment to the existing schools. The provision made is a lumpsum of Rs. 500/- to each existing school both for furniture and craft equipment. But as separate proposals have been called for in the Govt. Memo No. 42728 R.D.P.XI/54-11, dated 20--12--1954, the requirements of craft equipment have been assessed separately. According to the list furnished by the Asst. Project Officers, there are 19 Hr. Ele. Schools which are in need of sewing machines and four Hr. Ele. Schools and one Ele.School which are in need of Coir making machine, charkas etc. The cost of supplying sewing machines to the 19 schools comes to Rs. 5035/- and that of other equipments to the remaining schools comes to Rs. 633/-. The total amount required under craft equipment to the existing schools, therefore, comes to Rs. 5668/-. No contribution however is forthcoming for supply of craft equipment. When this question was represented to the Director of Community Development, Madras during his last visit to this project, he was pleased to state that no contribution is needed for the supply of craft equipments to the schools. In this office Ref.C.No.935/53-B dated 14-5-1955, a report was submitted by me in reply to Government Memo No.1866 Public R.D.P.VIII/55-1, dated 14-3-1955, stating that the supply of craft equipments to the existing schools may be ordered without expecting any contribution. I, therefore, request that the Govt. may be pleased to sanction the incurring of an expenditure not exceeding Rs. 5668/- on the supply of craft equipment to the 24 schools mentioned above.

Out of 24 schools mentioned above 12 schools are run by the District Board and the remaining 12 are aided schools. The total cost on the supply of the craft craft equipments (sewing machines) to the 12 Dt. Board schools comes to Rs. 3180/-. Instead of according individual sanction I may be permitted to draw a sum of Rs. 3180/- in a lumpsum and place it at the disposal of the President, District Board, South Kanara so that the District Board itself makes necessary arrangements for the supply of the sewing machines to the above 12 schools. A certificate, will however, be obtained from the District Board after the supply is made and kept on record. Regarding aided schools, the amount will be drawn and disbursed only after the managements purchase the craft equipment required and produce the bill of cost.

The proposal under craft equipment includes the sanctions already accorded by me in respect of 3 schools for an aggregate amount of Rs. 1200/-. But it does not include the sanction accorded by the Govt. in their order No.Ms.1101/Agri. dated 6--11--1954 in which a sum of Rs.1500/- for the supply of furniture and equipment to the Hr. Ele. School, Ladagayedapadavu was sanctioned. Out of this amount of Rs.1500/-, the provision for equipment is Rs. 500/- and the balance represents the cost of furniture. This amount has already been paid. Including this item of Rs.500/- the total amount required under craft equipment to the existing schools will be Rs.6168/- for the whole project area.

P.E.O.

3) Furniture:

According to the lists furnished by the District Board and the Asst. Project Officers, there are 184 existing schools managed by the District Board and 85 aided. schools. The probable cost of the furniture proposed to be purchased for the schools, the contribution promised by the beneficiaries and the Community Project grant proposed to be given are detailed below:

Schools:	Probable cost of furniture:	Contribution from beneficiaries.	C.P. Grant.
Dt. Bd. Schools (184)	47,356/-	24,285/-	23,071/-
Aided Schools (85)	42,322/-	23,805/-	18,517/-
Total.	89,678/-	48,090/-	41,588/-

It is seen from the lists furnished by the District Board and Asst. Project Officers, that some schools proposed to purchase furniture even up to Rs. 2,000/-. The Community Project grant to each school, however, has been limited to Rs.500/- or 50 % of the actual cost whichever is less. The indents furnished by the schools have been verified by the S.E.Os and approved by the Dt.Educational Officer. It is reported that the furniture now proposed to be purchased for each schools is according to theminimum requirements of each school. As the Dt. Educational Officer has approved the proposal, I recommend that the Govt. may be pleased to accord sanction to incur an expenditure not exceeding Rs.41,588/- towards the grant for the supply of furniture to the 269 existing schools mentioned above. I may be permitted to draw the amount of Rs. 23071/- being the Community Project grant for the supply of furniture to the 184 District Board schools in a lumpsum and place it at the disposal of the President, District Board, South Kanara for incurring expenditure in the purchase of furniture according to the list furnished already. A certificate, will however, be obtained from the District Board and kept on record.

The above proposal under 'furniture' does not include the sanctions accorded already by me and by the Government. A sum of Rs. 500/- was sanctioned by me as a grant for the supplyof furniture to the Hr. Ele. School at Miyar against a total cost of Rs. 2,154/-. In G.O.Ms. No.1104 Agri.dated 6--11--1954, the Govt. have sanctioned a sum of Rs. 1500/- for the supply of furniture and equipment to the Dadagayedapadavu Ele.School. Out of this the provision for furniture is Rs. 1,000/-. The total requirement under furniture, therefore comes to Rs. 43088/-.

The total requirement under craft equipment and furniture comes to Rs. 49,256/- as shown below:

Requirement under craft equipment:	6168/-
Requirement under furniture:	43088/-
Total.	49,256/-

P.P.O.

This amount includes the sanctions already accorded by the Government and by me. Hence the provision of Rs.50,000/- made in the revised overall programme does not required any change.

4) Amount of Teachers' Salary:

No allotment is necessary for payment of salaries to the teachers of the existing schools. No provision has been made in the revised overall programme either.

II. Particulars regarding the new schools to be opened in the Community Project:

According to the overall programme, it has been proposed to start 36 schools in the school-less villages of the project. The provision made thereunder for the 36 schools is as follows:

Item:	Allotment:
Building grant:	54,000/-
Furniture:	21,600/-
Craft equipment:	21,600/-
Salary of teachers:	64,800/-
Contingencies:	3,240/-
Total.	1,65,240/-

In Govt. Memo No. 42728 R.D.P. XI/54-11, dated 20--12--1954, separate particulars have been called for in respect of the building grant, furniture etc. But in G.O.Ms.No.1506 Public (R.D.P.) Dept. dated 5-5-1955 it has been ordered that the cost of maintenance of schools (i.e. payment of salaries and the supply of equipment etc.) opened in Community Project should be debited to the education budget of the State. Hence I am restricting my proposals only for the building grant in respect of new schools. In this Office Ref.C.No.1386/55-B dated 3-6-1955, I have submitted proposals for the sanction of an addl. allotment of Rs. 21,600/- as it is felt that the existing provision of Rs. 54,000/- is not sufficient. I, request that the proposal may kindly be approved and an allotment of Rs. 75,600/- may be provided instead of Rs.54,000/-.

In the end, I submit that the above proposals brief details of which are given below may kindly be sanctioned:

a) Providing addl. grant of Rs. 50,000/- for building purposes to the existing schools.

b) Sanctioning an expenditure of Rs. 6,168/- for the supply of craft equipment to the existing schools with permission to draw a sum of Rs. 3,180/- in a lumpsum and to place it at the disposal of the President, District Board, South Kanara.

P.T.O.

C) Sanctioning a sum of Rs. 43,088/- as a grant for the supply of furniture to the 269 schools with permission to draw a sum of Rs. 23,071/- in a lumpsum and place it at the disposal of the District Board, South Kanara.

d) Sanctioning a sum of Rs. 21,600/- in addition to the existing provision of Rs. 54,000/- to meet the expenditure ~~ff~~ on the building grant for new schools.

I have already issued orders to the managements of concerned aided schools ~~xxxxx~~ to go ahead with the purchase and supply of the furniture and equipment required by them. I request that my action may kindly be approved and early orders passed on my proposals submitted above.

Yours Faithfully,

Project Executive Officer. 17/6
